## Young Women's Alliance

The Young Women's Alliance (YWA) is a young professional's organization that has been a staple of the Austin community for over 20 years. YWA seeks to build a community that supports, empowers, and connects women through personal and professional educational programs and events.

## beautifully made

Beautifully Made is a community-wide event taking place on March 26 at The Cathedral to celebrate remarkable women of Austin during Women's History Month. Serving as our Spring Fundraiser, this event invites the Austin community to enjoy a gallery art show of local female artists and honor women who are "beautifully made" and embody the spirit of YWA.

## Future Women Leaders Fund

The Future Women Leaders Fund furthers YWA's mission of creating connections and opportunities for aspiring young women and girls to become tomorrow's leaders.

YWA Future Women Leaders Fund (FWLF), sustains programs that:

- Advance women's careers through leadership and professional development
- Create meaningful connections between women and experienced professionals through mentorship and networking
- Nurture a strong network of philanthropists who give back to their communities
- Empower women from underrepresented communities to become the next generation of women leaders
